

TERMS OF REFERENCE

The Minister for Planning NSW the Hon. Andrew Refshauge MP has established in August 2002 a Ministerial Taskforce to provide him with advice and recommendations on the revitalisation of the Tweed Central Business District.

In order to provide this advice to the Taskforce will amongst other things undertake the following actions:-

- 1- Investigate current issues impeding the development of the Tweed Town Centre as the commercial retail and cultural hub of Tweed Heads.

- 2- Investigate opportunities for links to Queensland, in particular, Coolangatta light rail extension – need for cross border transport strategy.

- 3- Review current planning instruments and controls – specifically open space network, building heights, urban design in context of opportunities connectivity and coastal policy.

- 4- Undertake the necessary studies as required.
